INTERNATIONAL SP; ROBERT E. ATKINSON,  
CHAPTER 7 TRUSTEE  
Counter-Defendants.

**FIRST AMENDED ADVERSARY COMPLAINT**

Plaintiff HASELECT-MEDICAL RECEIVABLES LITIGATION FINANCE FUND INTERNATIONAL SP (“Plaintiff” or “HASelect”), by and through its counsel, Shea Larsen PC, hereby submits its First Amended Adversary Complaint and claims and alleges against Defendant TECUMSEH–INFINITY MEDICAL RECEIVABLES FUND, LP (“Defendant” or “Tecumseh”) as follows:

**PARTIES**

1. Plaintiff HASelect is, and was at all relevant times, a segregated portfolio company of HedgeACT International SPC Ltd., a Cayman Islands corporation, with its principal place of business in Illinois.

2. On information and belief, Defendant Tecumseh is, and was at all relevant times, a Delaware limited partnership.

**JURISDICTION AND VENUE**

3. This Adversary Complaint, and the claims herein, are brought pursuant to Bankruptcy Rule 7001 seeking an order, judgment, and decree from this Court determining the validity, priority, and extent of any lien claim asserted by Defendant against certain property of the Debtor’s estate.

4. This Court has jurisdiction over this Adversary Proceeding pursuant to 28 U.S.C. §§ 157 and 1334 and 11 U.S.C. §§ 105 and 506. This is a core proceeding pursuant to 28 U.S.C. § 157. Venue in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

**GENERAL ALLEGATIONS**

5. Beginning in February 2019, HASelect made several loans to Debtor Infinity Capital Management, Inc. (“Debtor” or “Infinity”) that were document through various written loan agreements and promissory notes through which Infinity pledged all of its personal property to HASelect as collateral for such loans.

6. HASelect perfected its security interest in all of Infinity’s personal property through the filing of a UCC-1 with the Nevada Secretary of State on February 19, 2019.

7. On or about December 18, 2019, HASelect, which was then doing business under the name HASelect-FTM Medical Receivables Litigation Finance Fund SP, and Infinity entered into a

1 Second Amended & Restated Loan and Security Agreement and Promissory Note (together with all  
2 prior and related loan documents, the “MLA”).

3 8. The MLA superseded and restated all prior loans made by HASelect to Infinity as  
4 well as extended further credit to Infinity.

5 9. HASelect holds a perfected security interest in all of Infinity’s personal property (as  
6 defined in § 4.1 of the MLA, the “Collateral”). Specifically, Section 4.1 of the MLA states:

7 To secure the payment and performance when due of all of the Borrower’s  
8 obligations hereunder and under the Note, Borrower hereby grants to Lender a  
9 security interest in the Receivables and the Alternative Receivables, and all of its  
10 other personal property, including without limitation, all of Borrower’s interest in the  
11 following, whether now owned or hereafter acquired, and wherever located, but  
12 excluding the Permitted Liens: All Goods, Inventory, Equipment, Fixtures,  
13 Accounts, General Intangibles, Instruments, Chattel Paper, Documents, Commercial  
14 Tort Claims, Investment Property, Letter of Credit Rights, Deposit Accounts, and all  
15 money, and all other property now or at any time in the future in Lender’s possession  
16 (including claims and credit balances), and all proceeds (including proceeds of any  
17 insurance policies, proceeds of proceeds and claims against third parties), all products  
18 and all books and records related to any of the foregoing (all of the foregoing,  
19 together with all other property in which Lender may now or in the future be granted  
20 a lien or security interest, is referred to herein, collectively, as the “Collateral”).

21 10. Infinity used the proceeds of the loans it obtained from HASelect to purchase  
22 accounts receivable from medical providers.

23 11. Such accounts receivable generally arose from medical treatment provided to  
24 individuals who were injured in accidents and had asserted personal injury claims. These accounts  
25 receivable are generally secured by liens against these personal injury claims and are typically paid  
26 at the time the personal injury claims are settled.

27 12. HASelect holds a perfected security interest in all accounts receivable purchased by  
28 Infinity as Collateral for the indebtedness owed by Infinity under the MLA.

13 Beginning in or around June 2020 and continuing for several months thereafter,  
14 Infinity sold and assigned of substantial number of accounts receivable included within the  
15 Collateral in which HASelect held a perfected security interest (the “HAS Accounts”) to Tecumseh  
16 without HASelect’s knowledge or consent and in violation of Infinity’s contractual obligations under  
17 the MLA.

18 14. The HAS Accounts had been purchased by Infinity from various medical providers

1 and other sources prior to June 18, 2020 using proceeds advanced to Infinity by HASelect pursuant  
2 to the MLA.

3 15. HASelect is informed and believes that Tecumseh had actual knowledge of  
4 HASelect's perfected security interest in the HAS Accounts prior to purchasing the HAS Accounts  
5 from Infinity.

6 16. HASelect is informed and believes that Tecumseh subsequently colluded with  
7 Infinity to conceal the sale and assignment of the HAS Accounts from HASelect to allow Infinity  
8 time to collect proceeds from the HAS Accounts and to transfer such proceeds to Tecumseh.  
9 Specifically, Tecumseh requested on various occasions that Infinity conceal information from  
10 HASelect concerning the HAS Accounts and other Collateral, and Infinity complied with such  
11 requests.

12 17. Tecumseh does not dispute that HASelect held a perfected security interest in the  
13 HAS Accounts at the time it purchased the HAS Accounts from Infinity.

14 18. Tecumseh has wrongfully collected and retained proceeds from the HAS Accounts  
15 in an unknown amount believed to exceed \$200,000.

16 19. HASelect holds a perfected security interest in the HAS Accounts and all proceeds  
17 of the HAS Accounts as Collateral for the indebtedness owed by Infinity under the MLA.

18 20. Any interest Tecumseh claims in the HAS Accounts is subordinate and subject to  
19 HASelect's prior, perfected security interest in the HAS Accounts.

20 21. HASelect did not consent to or receive notice of Infinity's sale and assignment of the  
21 HAS Accounts to Tecumseh.

22 22. The sale and assignment of the HAS Accounts to Tecumseh was done in violation of  
23 HASelect's prior, perfected security interest in the HAS Accounts and HASelect's rights under the  
24 MLA.

25 23. Contrary to its actual dealings with Tecumseh and in violation of its obligations to  
26 HASelect under the MLA, Infinity misrepresented to HASelect that certain of the HAS Accounts  
27 were purchased by Tecumseh directly from the sellers of such HAS Accounts and that Infinity was  
28

1 merely acting as a servicer for Tecumseh as to such HAS Accounts. Based on this misrepresentation,  
2 HASelect may have unknowingly consented to the release of certain proceeds of the HAS Accounts  
3 to Tecumseh. Had it known of the true nature and extent of Infinity's dealings with Tecumseh as  
4 described herein, HASelect would not have consented to the release of any such proceeds to  
5 Tecumseh.

6 24. On or about June 18, 2020, Infinity entered into a Sub-Advisory Agreement with  
7 Defendant Tecumseh under which Infinity agreed, among other things, to "assist [Tecumseh] in  
8 acquiring an interest in medical receivables in connection with personal injury cases in the U.S."  
9 and to provide collection services related to such receivables.

10 25. Tecumseh had actual knowledge of the MLA and of HASelect's security interest in  
11 the Collateral as well as Infinity's contractual obligations to HASelect under the MLA prior to the  
12 execution of the Sub-Advisory Agreement.

13 26. Following the execution of the Sub-Advisory Agreement, Infinity continued to  
14 purchase accounts receivable in its own name and for its own benefit from the largely same medical  
15 providers and other sources from which it purchased accounts receivable prior to the execution of  
16 the Sub-Advisory Agreement.

17 27. Such accounts receivable were purchased by Infinity pursuant to various contracts  
18 entered into between Infinity and the sellers of such accounts receivable.

19 28. Upon Infinity's purchase of such accounts receivable, Infinity received from the  
20 sellers a written assignment agreement for each account receivable conveying to Infinity the right to  
21 collect payment on the account receivable and granting Infinity a lien against any recovery on any  
22 personal injury claim asserted in connection with the account receivable.

23 29. All accounts receivable purchased by Infinity after the execution of the Sub-Advisory  
24 Agreement, regardless of the source of funds used to purchase such accounts receivable, constitute  
25 Collateral under the MLA in which HASelect holds a perfected security interest.

26 30. Following the execution of the Sub-Advisory Agreement, Tecumseh periodically  
27 issued purchase orders to Infinity in which it identified accounts receivable it wished to purchase  
28

1 from Infinity. Pursuant to such purchase orders, Infinity and Tecumseh entered into various  
2 assignment and bill of sale agreements by which Infinity sold and assigned to Tecumseh certain  
3 accounts receivable purchased by Infinity on or after June 18, 2020 (the “Disputed Accounts”).

4 31. HASelect holds a perfected security interest in the Disputed Accounts and all  
5 proceeds of the Disputed Accounts as Collateral under the MLA.

6 32. Any interest Tecumseh claims in the Disputed Accounts is subordinate and subject  
7 to HASelect’s prior, perfected security interest in the Disputed Accounts.

8 33. HASelect did not consent to or receive notice of Infinity’s sale and assignment of the  
9 Disputed Accounts to Tecumseh.

10 34. The sale and assignment of the Disputed Accounts to Tecumseh was done in violation  
11 of HASelect’s prior, perfected security interest in the Disputed Accounts and HASelect’s rights  
12 under the MLA.

13 35. No contract existed between Tecumseh and any seller (aside from Infinity) or obligor  
14 of any Disputed Account at the time of purchase by Infinity.

15 36. Tecumseh did not negotiate directly with any seller (aside from Infinity) or obligor  
16 of any Disputed Account regarding the purchase of any Disputed Account.

17 37. Tecumseh did not communicate directly with any seller (aside from Infinity) or  
18 obligor of any Disputed Account regarding the purchase of any Disputed Account.

19 38. No business relationship existed between Tecumseh and any seller (aside from  
20 Infinity) or obligor of any Disputed Account at the time of purchase by Infinity

21 39. Tecumseh did not issue any purchase order directly to any seller (aside from Infinity)  
22 or obligor of any Disputed Account.

23 40. No seller (aside from Infinity) or obligor of any Disputed Account executed any  
24 assignment or other document purporting to transfer to Tecumseh any right in any Disputed Account.

25 41. Notwithstanding Infinity’s sale and assignment of the Disputed Accounts to  
26 Tecumseh, neither Infinity nor Tecumseh provided any notice of such sale and assignment to any  
27 third-party seller or obligor responsible for payment of any Disputed Account.

1           42.     Rather, Infinity continued to collect the proceeds of the Disputed Accounts in its own  
2 name or under its trade name, Infinity Health Connections, which is a fictitious firm name under  
3 which Infinity had done business since at least 2016.

4           43.     Following the execution of the Sub-Advisory Agreement, Infinity and Tecumseh  
5 colluded to open a deposit account at Bank of America (the “BOA Account”) under Infinity’s trade  
6 name, Infinity Health Connections. Infinity deposited proceeds collected on the Disputed Accounts,  
7 which were typically received in the form of a check made payable to Infinity Health Connections,  
8 to the BOA Account from which such proceeds were transferred to Tecumseh or used by Infinity,  
9 either directly or indirectly, to purchase additional accounts receivable that were later sold and  
10 assigned to Tecumseh.

11           44.     HASelect is informed and believes that the Disputed Accounts include approximately  
12 19,000 accounts receivable that Infinity purchased at a cost of more than \$10 million.

13           45.     HASelect is informed and believes that Infinity has, to date, collected more than  
14 \$1,200,000 in proceeds of the Disputed Accounts.

15           46.     HASelect is informed and believes that the current value of the uncollected Disputed  
16 Accounts exceeds \$22 million.

17           47.     Tecumseh and Infinity colluded to conceal the nature and extent of their business  
18 dealings under the Sub-Advisory Agreement from HASelect. Specifically, Tecumseh requested on  
19 various occasions that Infinity conceal information pertaining to the Disputed Accounts and other  
20 Collateral from HASelect, and Infinity complied with such requests.

21           48.     Contrary to its actual dealings with Tecumseh and in violation of the obligations to  
22 HASelect under the MLA, Infinity misrepresented to HASelect that the Disputed Accounts had been  
23 purchased by Tecumseh directly from the sellers of the Disputed Accounts and that Infinity was  
24 merely acting as a servicer for Tecumseh as to the Disputed Accounts. Based on this  
25 misrepresentation, HASelect may have consented to the release of certain proceeds of the Disputed  
26 Accounts to Tecumseh. Had HASelect known of the true nature and extent of Infinity’s dealings  
27 with Tecumseh as described herein, it would not have consented to any release of such proceeds.

1           49.     The HAS Accounts and Disputed Accounts constitute “accounts” as that term is  
2 defined under the Uniform Commercial Code as adopted in Nevada (and elsewhere) (the “UCC”)  
3 and as specifically set forth at NRS 104.9102(1)(b).

4           50.     The term “security interest” as defined under the UCC and as specifically set forth  
5 at NRS 104.91201(ii) includes “any interest of ... a buyer of accounts.”

6           51.     The term “debtor” as defined under the UCC and as specifically set forth at NRS  
7 104.9102(1)(bb) includes a “seller of accounts.”

8           52.     The term “collateral” as defined under the UCC and as specifically set forth at NRS  
9 104.9102(1)(l) includes “[a]ccounts ... that have been sold”.

10          53.     To perfect any interest it claims in the HAS Accounts or Disputed Accounts,  
11 Tecumseh was required, pursuant to NRS 104.9910(1), to file a UCC-1 financing statement.

12          54.     Tecumseh did not file any UCC-1 financing statement to perfect any interest it claims  
13 in the HAS Accounts or the Disputed Accounts.

14          55.     On September 14, 2021 (the “Petition Date”), Infinity filed a voluntary Chapter 7  
15 bankruptcy petition with this Court, commencing Bankruptcy Case No. 21-14486-abl.

16          56.     Because Tecumseh did not perfect any interest it claims in the HAS Accounts or the  
17 Disputed Accounts through the filing of a UCC-1 financing statement, the HAS Accounts and  
18 Disputed Accounts remain property of Infinity’s bankruptcy estate pursuant to NRS 104.9318(2),  
19 which provides that “[f]or purposes of determining the rights of creditors of, and purchasers for  
20 value of an account or chattel paper from, a debtor that has sold an account or chattel paper, while  
21 the buyer’s security interest is unperfected, the debtor has rights and title to the account or chattel  
22 paper identical to those the debtor sold.”

23          57.     As of the Petition Date, Infinity owed total indebtedness in excess of \$14 million to  
24 HASselect pursuant to the MLA. Moreover, the total indebtedness owed pursuant to the MLA  
25 continues to increase as additional interest, default interest, late fees, and other amounts owed  
26 pursuant to the MLA accrue.

**FIRST CAUSE OF ACTION**

**(Declaratory Relief)**

58. HASelect incorporates the allegations set forth in the other sections of this Adversary Complaint as if set forth at length herein.

59. A dispute exists between HASelect and Tecumseh that is ripe for adjudication as to the priority of their respective claimed interests in the HAS Accounts and the Disputed Accounts.

60. HASelect is entitled to a declaration that (i) it holds a perfected security interest in the HAS Accounts and the Disputed Accounts pursuant to the MLA, (ii) any interest Tecumseh claims in any of the HAS Accounts or the Disputed Accounts is subordinate and subject to HASelect's prior, perfected security interest in the same, (iii) any interest Tecumseh claims in any of the HAS Accounts or the Disputed Accounts was unperfected as of the Petition Date, and (iv) HASelect is entitled to immediate possession of the HAS Accounts and the Disputed Accounts and all proceeds thereof.

65. HASelect has a substantial likelihood of success on the merits of its claims against Defendant Tecumseh.

66. HASelect will suffer irreparable harm in the event Tecumseh is permitted to collect,

1 transfer, or otherwise dispose of the HAS Accounts or the Disputed Accounts prior to the  
 2 adjudication of HASelect's claims herein.

3 67. The threatened harm to HASelect if Defendant Tecumseh is permitted to collect,  
 4 transfer, or otherwise dispose of the HAS Accounts and or the Disputed Accounts outweighs any  
 5 potential harm to Tecumseh that may result from the entry of a preliminary injunction prohibiting  
 6 Tecumseh from collecting, transferring, or otherwise disposing of the HAS Accounts or the Disputed  
 7 Accounts.

8 68. Public policy supports granting injunctive relief to protect the rights of a secured  
 9 creditor with a prior, perfected security interest, such as HASelect, over the rights of an unsecured  
 10 creditor, such as Tecumseh.

11 69. HASelect is entitled to entry of a preliminary injunction prohibiting Tecumseh from  
 12 collecting, transferring, or otherwise disposing of the HAS Accounts and or the Disputed Accounts.

 22 Accounts from Infinity in violation of HASelect's perfected, first-priority security interest therein  
 23 and in violation of HASelect's rights under the MLA.

24 74. Tecumseh does not dispute that HASelect held a perfected security interest in the  
 25 HAS Accounts at the time Tecumseh purchased the HAS Accounts from Infinity.
